that penalty shall not be suspended, probated, or subject to conditional discharge or other form of early release.

(9) In determining the five (5) year period under this section, the period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered.

(10) Any person who violates the provisions of subsection (1) of this section shall be assessed fifteen dollars ($15) in addition to the fines imposed by subsections (4) and (5) of this section. Funds collected pursuant to this subsection shall be deposited in the traumatic brain injury trust fund, created pursuant to Section 4 of this Act, within fourteen (14) days after the end of each quarter, to be used for the purposes set forth in Sections 1 to 5 of this Act.

Section 9. KRS 186.574 is amended to read as follows:

(1) The Transportation Cabinet shall establish a state traffic school for new drivers and for traffic offenders. The school shall be composed of uniform education and training elements designed to create a lasting influence on new drivers and a corrective influence on traffic offenders. District Courts may in lieu of assessing penalties for traffic offenses, other than for KRS 189A.010, sentence offenders to state traffic school and no other. The Transportation Cabinet shall enroll a person in state traffic school who fails to complete a driver's education course pursuant to KRS 186.410(5).

(2) If a District Court stipulates in its judgment of conviction that a person attend state traffic school, the court shall indicate this in the space provided on the abstract of conviction filed with the Transportation Cabinet. Upon receipt of an abstract, the Transportation Cabinet, or its representative, shall schedule the person to attend state traffic school. Failure of the person to attend and satisfactorily complete state traffic school in compliance with the court order, may be punished as contempt of the sentencing court.

(3) The Transportation Cabinet shall supervise, operate, and administer state traffic school, and shall promulgate administrative regulations pursuant to KRS Chapter 13A governing facilities, equipment, courses of instruction, instructors, and records of the program. In the event a person sentenced under subsection (1) of this section does not attend or satisfactorily complete state traffic school, the Transportation Cabinet may deny that person a license or suspend the license of that person until he reschedules attendance or completes state traffic school, at which time a denial or suspension shall be rescinded.

(4) Persons participating in the state traffic school as provided in this section shall pay a fee of fifteen dollars ($15) to defray the cost of operating the school, except that if enrollment in state traffic school is to satisfy the requirement of KRS 186.410(4)(c), a fee shall not be assessed. Any funds collected pursuant to KRS 186.535(1) that are dedicated to the road fund for use in the state driver education program may be used for the purposes of state traffic school.

(5) The following procedures shall govern persons attending state traffic school pursuant to this section:

(a) A person convicted of any violation of traffic codes set forth in KRS Chapters 177, 186, or 189, and who is otherwise eligible, may in the sole discretion of the trial judge, be sentenced to attend state traffic school. Upon payment of the fee required by subsection (4) of this section, and upon successful completion of state traffic school, the sentence to state traffic school shall be the person's penalty in lieu of any other penalty, except for the payment of court costs;

(b) Except as provided in KRS 189.990***(28)***[~~(27)~~], a person shall not be eligible to attend state traffic school who has been cited for a violation of KRS Chapters 177, 186, or 189 that has a penalty of mandatory revocation or suspension of an offender's driver's license;

(c) Except as provided in KRS 189.990***(28)***[~~(27)~~], a person shall not be eligible to attend state traffic school for any violation if, at the time of the violation, the person did not have a valid driver's license or the person's driver's license was suspended or revoked by the cabinet;

(d) Except as provided in KRS 189.990***(28)***[~~(27)~~], a person shall not be eligible to attend state traffic school more than once in any two (2) year period, unless the person wants to attend state traffic school to comply with the driver education requirements of KRS 186.410; and

(e) The cabinet shall notify the sentencing court regarding any person who was sentenced to attend state traffic school who was ineligible to attend state traffic school. A court notified by the cabinet pursuant to this paragraph shall return the person's case to an active calendar for a hearing on the matter. The court shall issue a summons for the person to appear and the person shall demonstrate to the court why an alternative sentence should not be imposed.

HB 172, AN ACT relating to a groundwater monitoring network.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that groundwater makes up over ninety-five percent (95%) of the water resources in Kentucky. Groundwater accounts for over thirty percent (30%) of the public and domestic water supplies in the Commonwealth, and up to ninety percent (90%) of all rural domestic supplies, and is the major source of water to streams. It is imperative that a system for characterizing and monitoring groundwater be developed so that information acquired through various monitoring programs will allow Kentucky to identify and characterize the groundwater resource. The information from the monitoring network can be used to enhance the Kentucky Groundwater Data Repository; identify, characterize, and model groundwater systems; develop community and private water supplies; address resource allocation concerns; set boundaries on wellhead protection areas; recognize groundwater degradation if it occurs; and evaluate and improve the quality and quantity of data collected through all programs.

SECTION 2. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 4 of this Act, unless the context requires otherwise:

(1) "Committee" means the Interagency Technical Advisory Committee on Groundwater as created in Section 4 of this Act;

(2) "Groundwater resource" means groundwater that is currently being used or is capable of being used;

(3) "Groundwater system" means a body of groundwater that is separated from other bodies of groundwater either by flow characteristics including but not limited to flow direction, flow speed, permeability, or storativity, or by water chemistry or layers of rock;

(4) "KGS" means the Kentucky Geological Survey; and

(5) "Monitoring network" means a series of wells, springs, and associated surface water that will be tested on a periodic basis for water level, discharge, and water chemistry.

SECTION 3. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) The KGS shall, in cooperation with the Interagency Technical Advisory Committee on Groundwater, establish a long-term groundwater monitoring network for the purpose of characterizing the quality, quantity, and distribution of Kentucky's groundwater resources.

(2) The monitoring network shall include:

(a) Representative sites sampled by various agencies;

(b) Water wells, springs, and surface water associated with wells and springs; and

(c) New monitoring wells installed in areas of demonstrated need.

This network shall collect information on a statewide basis and provide long-term data collection to determine the quality, quantity, and occurrence of groundwater throughout the Commonwealth.

(3) The KGS shall utilize collected data to support research efforts that develop models for groundwater systems, and to determine and monitor trends of groundwater movement, water quality, and quantity.

(4) The KGS shall provide data from the network to the Kentucky Groundwater Data Repository and make the data readily available to the public, government agencies, industry, and other entities that request access. Analyzed data may be made available in the form of maps, charts, bulletins, and reports.

(5) The KGS shall solicit input from federal, state, and local agencies, and industry, agriculture, universities, and the public to determine priority monitoring locations based on water quality and quantity concerns as the network is developed.

(6) Within ninety (90) days of the end of each state fiscal year, the KGS shall provide to the Governor and the Legislative Research Commission a summary of the groundwater monitoring network data collection and analysis activities.

SECTION 4. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) There is established an Interagency Technical Advisory Committee on Groundwater to assist the KGS in the development, coordination, and implementation of a groundwater monitoring network for the Commonwealth. (i) Department for Natural Resources;

(j) Department for Surface Mining Reclamation and Enforcement;

(k) Kentucky Geological Survey;

(l) University of Kentucky College of Agriculture; and

(m) University of Kentucky Water Resources Research Institute.

(2) The committee shall have one (1) nonvoting legislative liaison who shall be a member of the General Assembly and who shall be appointed by the Legislative Research Commission. The chair of the committee shall be the director of the University of Kentucky Water Resources Research Institute. The duties and responsibilities of the committee shall include:

(a) Developing a plan to coordinate agencies for the overall characterization of the state's groundwater, including occurrence, flow systems, water quantity, and water quality;

(b) Reviewing the data entry process to ensure that all data collected is placed into the Kentucky Groundwater Data Repository;

The General Assembly of the Commonwealth of Kentucky finds and declares that:

(1) Significant quantities of petroleum and petroleum products are being stored in petroleum storage tanks in the state to meet the needs of its citizens and to foster economic growth and development and the overall quality of life in the state;

(2) Spills, leaks, discharges, and other releases into the environment from petroleum storage tanks, however, have occurred, are occurring, or will occur, and such releases may pose a threat to public health and safety and the environment;

(3) Adequate financial resources must be readily available to provide a means for investigation and cleanup of contamination without delay;

(4) In recent years, petroleum storage tank owners or operators have been unable to obtain affordable pollution liability insurance coverage to pay for corrective action measures;

(5) It is in the best interests of the state to protect public health and safety and the environment by creating a fund for corrective action measures for releases into the environment from petroleum storage tanks;

(6) Commercial insurers may increase the availability and affordability of pollution liability insurance coverage for petroleum storage tanks if a comprehensive and efficient financial responsibility program for tanks is established;

(7) An efficient program of financial responsibility should include corrective action requirements that encourage petroleum storage tank owners or operators to take corrective action measures in the first instance;

(8) An efficient program of financial responsibility for petroleum storage tanks should minimize disputes over the causation of and responsibility for releases into the environment from petroleum storage tanks;

(9) ***An efficient program of financial responsibility should protect petroleum storage tank owners and operators from fraudulent claims against the fund to insure the fund's financial viability and should authorize the vigorous pursuit of fraudulent claims;***

(10) It is necessary and essential that the state use all practical means to control or eliminate pollution hazards posed by leaking petroleum storage tanks; and

Section 4. KRS 224.60-130 is amended to read as follows:

(1) ***There is created within the Public Protection and Regulation Cabinet, Office of the Secretary, the Office of Petroleum Storage Tank Environmental Assurance Fund***[~~The commission shall be created within sixty (60) days from April 9, 1990~~].

(2) The ***Office of Petroleum Storage Tank Environmental Assurance Fund***[~~commission~~] shall:

(a) Establish by administrative regulation the policy, guidelines, and procedures to administer the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the ***office***[~~commission~~] may distinguish between types, classes, and ages of petroleum storage tanks. The ***office***[~~commission~~] ***may***[~~shall~~] establish a range of amounts to be paid from the fund***, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs,*** and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. ***The criteria***

may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. The criteria for certification of laboratories shall be established no later than January 1, 1999. After April 1, 1999, owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the ***office***[~~commission~~] for reimbursement from the fund for the performance of corrective action. At a minimum, the ***office***[~~commission~~] shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the ***office***[~~commission~~] shall obligate funds necessary to meet these requirements;

(b) Establish by administrative regulation the criteria to be met to be eligible to participate in the fund and receive reimbursement from the fund. The ***office***[~~commission~~] may establish eligibility criteria based upon the financial ability of the petroleum storage tank owner or operator. ***To insure cost effectiveness, the office shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund.*** In promulgating administrative regulations to carry out this section, the ***office***[~~commission~~] may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

(c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal government for petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The amount to be maintained in this account shall be established by the ***office***[~~commission~~]. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the ***office***[~~commission~~];

(d) Establish a small operator assistance account within the fund which may be used by the ***office***[~~commission~~] to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

(e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. This account shall not be used to compensate third parties for bodily injury and property damage. The ***office***[~~commission~~] shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the ***office***[~~commission~~] shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

(f) Hear complaints brought before the ***office***[~~commission~~] regarding the payment of claims from the fund in accordance with KRS Chapter 13B;

(g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

(h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform an actuarial study, no less than every two (2) years, that recommends to the ***office***[~~commission~~] an actuarially sound entry level to the fund prior to two (2) years from April 9, 1990. The ***office***[~~commission~~] shall, by administrative regulation, set the entry level for participation in the fund;

(i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund***,***[~~ and~~] the procurement of legal services***, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator***;

(j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the ***office***[~~commission~~] may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;[~~ and~~]

any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;

(l) ***Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The office may collect soil or water samples or require storage tank owners or operators to split samples with the office for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the office to collect or split samples shall make the facility ineligible for fund participation; and***

(m) ***Have assurance fund auditors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation***[~~Be attached to the Natural Resources and Environmental Protection Cabinet for administrative purposes~~].

[~~(3) The commission shall hold at least four (4) regular meetings each calendar year at a place and time to be fixed by the commission. The commission shall also meet at the request of the chairman of the commission or upon a written request of three (3) members of the commission. Six (6) members constitute a quorum, and a quorum may act for the commission in all matters.~~]

(3)[~~(4)~~] The ***office***[~~commission~~] may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.

(4)[~~(5)~~] The ***office***[~~commission~~] may sue and be sued in its own name.

Reimbursement shall be limited to only those costs, expenses, and other obligations incurred to comply with corrective action requirements established by the cabinet. Reimbursement shall not include additional costs related to compliance with a local program operating under KRS 224.60-105(4). Reimbursement shall not include the costs related to the removal, or actions incidental to the removal, of a tank system except as authorized under Section 4(2)(j) of this Act***;

(3) The use of the fund shall not exceed one million dollars ($1,000,000) per occurrence for corrective action and one million dollars ($1,000,000) per occurrence for compensating third parties for bodily injury and property damage.

(4) Money in the fund may be used by the cabinet for costs incurred by the cabinet for corrective action taken pursuant to KRS 224.60-135(2) and (4).

(5) The fund shall be used to guarantee payment of reasonable costs and expenses to a contractor performing corrective action under contract with a petroleum storage tank owner or operator subject to entry level amounts payable by the

petroleum storage tank owner or operator. Money in the fund shall be obligated to secure the guarantee.

(6) A petroleum storage tank owner or operator may apply to the ***office***[~~commission~~] for reimbursement from the fund of costs to perform corrective action, except that the petroleum storage tank owner or operator shall be responsible for and shall not be reimbursed for an amount equal to the entry level into the fund as set pursuant to administrative regulation of the ***office***[~~commission~~].

(7) The ***office***[~~commission~~] or its designated agent shall issue all decisions made on claims filed pursuant to this section in writing, with notification to all appropriate parties, within ninety (90) days after submission of the claim, unless all parties to the claim agree in writing to an extension of time.

(8) Except as provided in subsection (9), any costs incurred and payable from the fund for corrective action taken pursuant to KRS 224.60-135(2) shall be recovered by the ***office***[~~commission~~] from the petroleum storage tank owner or operator which released the petroleum or petroleum products into the environment.

(9) The liability of a petroleum storage tank owner or operator subject to a cost recovery under this section shall not exceed an amount equal to the entry level into the fund, the ***office's***[~~commission's~~] cost incurred in the cost recovery, and any penalties applied in accordance with KRS 224.60-155. This amount shall include any expenditures made by the petroleum storage tank owner or operator for the release into the environment from the petroleum storage tank that is the subject of the cost of recovery.

(12) Upon motion and sufficient showing by any party, the court shall join to the action any person who may be liable for costs or expenditures recoverable pursuant to this section.

(13) (a) Any party found liable for any costs or expenditures recoverable under this section who establishes that only a portion of those costs or expenditures are attributable to their actions, shall pay only for that portion.

(b) If the trier of fact finds the evidence insufficient to establish each party's portion of costs or expenditures pursuant to subsection (12) of this section, the court shall apportion those costs or expenditures, to the extent practicable according to equitable principles among the defendants.

(c) The fund shall pay any portion of the judgment in excess of the aggregate amount of costs or expenditures apportioned under paragraphs (a) and (b) of this subsection.

(14) (a) No indemnification, hold harmless, conveyance, or similar agreement shall be effective to transfer any liability for costs recoverable under this section. This subsection shall not bar any agreement to insure, hold harmless, or indemnify a party to the agreement for any costs under KRS 224.60-105 to 224.60-160.

(b) The entry of judgment against any party to the action shall not bar any future action by the fund against any other person who is later discovered to be potentially liable for costs paid from the fund.

(c) Payment of any claim by the fund pursuant to KRS 224.60-105 to 224.60-160 shall be subject to the state acquiring by subrogation the rights of the claimant to recover those costs of corrective action for which it has compensated the claimant from the person responsible or liable for the release.

(15) This section shall not be construed as authorizing recovery for costs of corrective action resulting from any release authorized or permitted pursuant to state or federal law.

(16) The cabinet shall attempt, to the maximum extent practicable, to secure or obtain funds that may be available for corrective actions under federal laws. However, nothing in this subsection shall prevent the cabinet from expending any funds available under KRS 224.60-105 to 224.60-160 if such federal funds are determined to be unavailable.

(17) The fund shall not be used for corrective action, reimbursement, or third-party liability resulting from releases from petroleum storage tanks used exclusively for storage of fuel used in the operation of a commercial ship or vessel oil tanks used exclusively for storage of fuel used for the purposes of powering locomotives.

(18) Any person who knowingly makes a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be responsible for and shall not be reimbursed for any amounts incurred based upon the false statement, representation, or certification. Any costs incurred and paid from the fund which are based on a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be recovered by the fund administrators from the person who asserted the false statement, representation, or certification.

HB 354, AN ACT relating to reorganization.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.990 is amended to read as follows:

(1) Any permittee, person, or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars ($5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Office of Legal Services. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred~~[and]~~ fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Office of Legal Services shall bring an action for the recovery of penalties and bring an action for a

restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.

(b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.

(8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned ***Mine*** Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

Section 2. The General Assembly hereby confirms Executive Order 97-714, dated June 11, 1997, which changes the name of the Division of Abandoned Lands within the Department for Surface Mining Reclamation and Enforcement to the Division of Abandoned Mine Lands, to the extent it is not otherwise confirmed by this Act.

(c) "Late enrollee" means, with respect to coverage under a group health plan, a participant or beneficiary who enrolls under the plan other than during:

1. The first period in which the individual is eligible to enroll under the plan; or

2. A special enrollment period under subsection (7) of this section; and

(d) "Waiting period" means, with respect to a group health plan and an individual who is a potential participant or beneficiary in the plan, the period that must pass with respect to the individual before the individual is eligible to be covered for benefits under the terms of the plan.

(4) (a) A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health plan, if, after the period and before the enrollment date, there was a sixty-three (63) day period during all of which the individual was not covered under any creditable coverage.

(b) For purposes of paragraph (a) of this subsection and subsection (5)(d) of this section, any period that an individual is in a waiting period for any coverage under a group health plan or for group health insurance coverage or is in an affiliation period, as defined in subsection (8)(b) of this section, shall not be taken into account in determining the continuous period under paragraph (a) of this subsection.

(c) 1. Except as otherwise provided under paragraph (b) of this subsection, for purposes of applying subsection (2)(c) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.

2. A group health plan, or a health insurance insurer offering group health insurance coverage, may elect to apply subsection (2)(c) of this section based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under paragraph (a) of this subsection. This election shall be made on a uniform basis for all participants and beneficiaries. Under this election a group health plan or insurer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within this class or category.

3. In the case of an election with respect to a group health plan under paragraph (b) of this subsection, *whether or not health insurance coverage is provided in connection with the plan, the plan shall:*

a. Prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made this election; and

b. Include in these statements a description of the effect of this election.

(d) Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (6) of this section or in such other manner as may be specified in administrative regulations.

(5) (a) Subject to paragraph (d) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion in the case of an individual who, as of the last day of the thirty (30) day period beginning with the date of birth, is covered under creditable coverage.

(b) Subject to paragraph (d) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion in the case of a child who is adopted or placed for adoption before attaining eighteen (18) years of age and who, as of the last day of the thirty (30) day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. The previous sentence shall not apply to coverage before the date of the adoption or placement for adoption.

(c) A group health plan, and health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion relating to pregnancy as a pre-existing condition.

(d) Paragraphs (a) and (b) of this subsection shall no longer apply to an individual after the end of the first sixty-three (63) day period during all of which the individual was not covered under any creditable coverage.

(6) (a) 1. A group health plan, and a health insurance insurer offering group health insurance coverage, shall provide the certification described in subparagraph 2. of this subsection:

a. At the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision;

b. In the case of an individual becoming covered under that provision, at the time the individual ceases to be covered under the provision; and

c. On request on behalf of an individual made not later than twenty-four (24) months after the date of cessation of the coverage described in subdivision a. or b. of this subparagraph, whichever is later.

The certification under subdivision a. of this subparagraph may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

2. The certification described in this subparagraph is a written certification of:

a. The period of creditable coverage of the individual under the plan and the coverage, if any, under the COBRA continuation provision; and

b. The waiting period, if any, and affiliation period, if applicable, imposed with respect to the individual for any coverage under the plan.

3. To the extent that medical care under a group health plan consists of group health insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance insurer offering the coverage provides for the certification in accordance with this paragraph.

(b) In the case of an election described in subsection (4)(c)2. of this section by a group health plan or health insurance insurer, if the plan or insurer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (a) of this subsection:

1. Upon request of that plan or insurer, the entity that issued the certification provided by the individual shall promptly disclose to the requesting plan or insurer information on coverage of classes and categories of health benefits available under the entity's plan or coverage; and

2. The entity may charge the requesting plan or insurer for the reasonable cost of disclosing this information.

(7) (a) A group health plan, and a health insurance insurer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan, or a dependent of that employee if the dependent is eligible, but not enrolled, for coverage under these terms, to enroll for coverage under the terms of the plan if each of the following conditions is met:

1. The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent;

2. The employee stated in writing at that time that coverage under a group health plan or health insurance coverage was the reason for declining enrollment, but only if the plan sponsor or insurer, if applicable, required that statement at that time and provided the employee with notice of the requirement, and the consequences of the requirement, at that time;

3. The employee's or dependent's coverage described in subparagraph 1. of this paragraph:

a. Was under a COBRA continuation provision and the coverage under that provision was exhausted; or

b. Was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage, including as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment, or employer contributions toward the coverage were terminated; and

4. Under the terms of the plan, the employee requests the enrollment not later than thirty (30) days after the date of exhaustion of coverage described in subparagraph 3.a. of this paragraph or termination of coverage or employer contribution described in subparagraph 3.b. of this paragraph.

(b) 1. If:

a. A group health plan makes coverage available with respect to a dependent of an individual;

b. The individual is a participant under the plan, or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period; and

c. A person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption;

the group health plan shall provide for a dependent special enrollment period described in subparagraph 2. of this paragraph during which the person or, if not otherwise enrolled, the individual, may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if the spouse is otherwise eligible for coverage.

2. A dependent special enrollment period under this subparagraph shall be a period of not less than thirty (30) days and shall begin on the later of:

a. The date dependent coverage is made available; or

b. The date of the marriage, birth, or adoption or placement for adoption, as the case may be, described in subparagraph 1.c. of this paragraph.

3. If an individual seeks to enroll a dependent during the first thirty (30) days of the dependent special enrollment period, the coverage of the dependent shall become effective:

a. In the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;

b. In the case of a dependent's birth, as of the date of the birth; or

c. In the case of a dependent's adoption or placement for adoption, the date of the adoption or placement for adoption.

(8) (a) In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if:

1. No pre-existing condition exclusion is imposed with respect to coverage through the organization;

2. The period is applied uniformly without regard to any health status-related factors; and

3. The period does not exceed two (2) months, or three (3) months in the case of a late enrollee.

(b) 1. For purposes of this section, the term "affiliation period" means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during this period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

2. This period shall begin on the enrollment date.

3. An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(c) A health maintenance organization described in paragraph (a) of this subsection may use alternative methods other than those described in that paragraph to address adverse selection as approved by the commissioner.

SECTION 5. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A health insurer offering individual health benefit plan coverage in the individual market in the Commonwealth shall not impose any pre-existing conditions exclusions as to any eligible individual.

(2) Each health insurer offering individual health benefit plan coverage in the individual market in the Commonwealth that chooses to impose a pre-existing conditions exclusion on individuals who do not meet the definition of eligible individual shall comply with the provisions of Section 4 of this Act, which establishes standards and requirements for pre-existing conditions exclusions for group health plans, including crediting previous coverage, and certification of coverage; except the period of creditable coverage shall only reduce the period of a pre-existing condition exclusion in a policy that has benefits substantially similar to the benefits provided in the creditable coverage. Pregnancy may be considered to be a pre-existing condition.

(3) Genetic information shall not be treated as a pre-existing condition in the absence of a diagnosis of the condition related to the information.

SECTION 6. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in this section, an insurer shall renew or continue in force a health benefit plan at the option of the insured.

(2) An insurer may nonrenew or discontinue a health benefit plan based only on one (1) or more of the following:

(a) The insured has failed to pay premiums or contributions in accordance with the terms of the plan or the insurer has not received timely premium payments;

(b) The insured has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage;

(c) The insured has engaged in intentional and abusive noncompliance with material provisions of the health benefit plan;

(d) The insurer is ceasing to offer coverage in the individual or group market in accordance with subsection (3) of this section;

(e) In the case of an insurer that offers health benefit plans through a network plan, the individual no longer resides, lives, or works in the service area or in an area for which the insurer is authorized to do business, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals, or there is no longer any enrollee in connection with the group plan who resides, lives, or works in the service area of the insurer; or

(f) In the case of a health benefit plan that is made available only through one (1) or more bona fide associations, the membership of the individual or employer in the association on the basis of which the coverage is provided ceases, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

(3) (a) In any case in which an insurer decides to discontinue offering a particular type of health benefit plan, coverage of the type may be discontinued by the insurer upon approval by the commissioner only if:

1. The insurer provides notice to each insured provided coverage of this type in the market of the discontinuation at least ninety (90) days prior to the date of the discontinuation of the coverage;

2. The insurer offers, to each insured provided coverage of this type, the option to purchase any other health benefit plan currently of that type being offered by the insurer in that market; and

3. In exercising the option to discontinue coverage of this type and in offering the option of coverage under subparagraph 2. of this paragraph, the insurer acts uniformly without regard to any health status-related factor of enrolled insureds or insureds who may become eligible for coverage.

(b) 1. Subject to paragraph (a)3. of this subsection, in any case in which an insurer elects to discontinue offering all health benefit plans in Kentucky, health benefit plans may be discontinued by the insurer only if:

a. The insurer provides notice to the commissioner and to each insured of the discontinuation at least one hundred eighty (180) days prior to the date of the expiration of the coverage; and

b. All health benefit plans issued or delivered for issuance in Kentucky are discontinued and coverage under the health benefit plans is not renewed.

2. In the case of a discontinuation under subparagraph 1. of this paragraph, the insurer may not provide for the issuance of any health benefit plans in Kentucky during the five (5) year period beginning on the date of the discontinuation of the last health benefit plan not so renewed.

(4) At the time of coverage renewal, an insurer may modify, with approval of the commissioner, the health benefit plan for a policy form so long as the modification is consistent with this chapter and effective on a uniform basis among all individuals with that policy form.

(5) In applying this section in the case of a health benefit plan that is made available by an insurer only through one (1) or more associations, a reference to an individual is deemed to include a reference to an association of which the individual is a member, and a reference to an employer member is deemed to include a reference to the employer.

SECTION 7. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after June 30, 1998. As a condition of doing business in the individual or small group market in the Commonwealth, the health insurer shall offer the standard health benefit plan, but the extent to which the standard health benefit plan shall be offered on a guaranteed issue basis shall only be as provided in Sections 2 and 3 of this Act. Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially, the standard health benefit plan shall be the standard high plan in effect on the effective date of this Act.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point of service type; and

(d) A preferred provider organization type.

(3) The standard health benefit plan shall be defined so that it meets the requirements of Section 18 of this Act for inclusion in calculating assessments and refunds under the guaranteed acceptance program.

(4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.

(5) Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under Sections 2, 3, 4, 5, and 6 of this Act.

(6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

(7) (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the principal benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the principal exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(8) All health benefit plans shall cover hospice care at least equal to the Medicare benefits.

(9) All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(10) Every health insurer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers an insurance policy in this state that directs or gives any incentives to insureds to obtain health care services from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the insurer or an agreement by the provider to abide by the terms for participation established by the insurer. This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(11) A self-insured plan may select any third party administrator licensed under KRS 304.9-052 to adjust or settle claims for persons covered under the self-insured plan.

(12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an insured with a high-cost condition shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the specific high-cost condition that is the basis for refusing to issue a policy, a description of the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program.

(13) If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.

SECTION 8. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insurer that, on or after July 15, 1995, until the effective date of this Act, issued standard health benefit plans under KRS 304.17A-160 and then ceased doing business in Kentucky may apply to the commissioner on or after the effective date of this Act for approval to reenter Kentucky and if the commissioner grants approval the insurer may engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 9. KRS 304.17A-095 is amended to read as follows:

(1) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any health benefit plan shall, before use thereof, file with the commissioner its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers*, shall submit a copy of the filing to the Attorney General,* and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper[~~, except as provided in~~

~~subsection (5) of this section~~].

(2) (a) ***A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. (b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.[~~Each filing under this section shall be on file for a waiting period of thirty (30) days before it becomes effective. The period may be extended by the commissioner for an additional period not to exceed thirty (30) days if the commissioner gives notice within the waiting period to the insurer that it needs the additional time for consideration of the filing. At the end of the thirty (30) day period, or any additional period if extended by the commissioner pursuant to this subsection, the filing shall be deemed approved unless prior thereto it has been disapproved by order of the commissioner or the commissioner has directed that a hearing be held.~~

~~(b) The commissioner may hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~

~~(c) If the filing contains an average premium rate increase which will result in a percentage increase over the insurer's average existing rates that is greater than the percentage change in the medical care consumer price index for all urban consumers for the South region as published by the federal Bureau of Labor Statistics, plus three percent (3%), since the last filing of the insurer for any of the same policies or contracts, the commissioner shall hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~]

(3) In approving or disapproving a filing under this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium or fee charged;

(b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

(c) Previous premium rates or fees for the policies or contracts to which the filing applies;

(d) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

(e) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and

(f) ***The effect on the rates of any assessment made under Section 21 of this Act; and***

(g) Other factors as deemed relevant by the commissioner.

(4) ***The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal***[~~Not less than ten (10) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General shall participate as a health insurance consumer intervenor and be considered a party to the hearing~~].

(5)[~~No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.~~

~~(6)~~] At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund ***or future premium credit*** to policyholders, enrollees, and subscribers if the commissioner determines that the ***rates or fees*** *previously approved are in violation of this chapter*[~~benefits are no longer reasonable in relation to the premiums or fees charged~~].

(6) Each insurer paying a risk assessment under Section 21 of this Act may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.

(7) The commissioner may by administrative regulation prescribe any additional information *related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she*[~~it~~] deems *necessary and* relevant to be included in the filings and the form of the filings required by this section.

[~~(8) Because of the duties of the commissioner imposed under KRS 304.17A-090, the commissioner may, between July 15, 1996, and December 31, 1996, in addition to the thirty (30) day extension allowed under subsection (2) of this section, further extend the waiting period and the time for holding a hearing up to two (2) additional thirty (30) day periods upon thirty (30) days' written notice to the insurer of each extension that the additional periods are necessary due to proper fulfillment of the commissioner's duties under KRS 304.17A-090.~~]

SECTION 10. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after the effective date of this Act shall be subject to the following provisions:

(1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%) of the index rate.

(2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ten percent (10%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, health status, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(3) (a) Notwithstanding subsection (2) of this section, at renewal the insurer may replace modified community rates with rates determined in accordance with subsection (1) of this section.

(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high-risk individuals under modified community rating who at the time of issue had a high-cost condition during the period from July 15, 1995, until the effective date of this Act for a new rating period:

1. Shall not be increased by more than twenty-five percent (25%) on either of the first two (2) renewal dates after the effective date of this Act. The total increase shall not result in a rate that exceeds thirty-five percent (35%) of the index rate. Notwithstanding subsection (1) of this section, the program established under Section 15 of this Act shall reimburse the insurer for any premium loss incurred under this subsection to the extent that funds are available;

2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after the effective date of this Act; and

3. Shall be subject to subsection (2) of this section on the fourth renewal date after the effective date of this Act and thereafter.

(4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.

(5) The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, health status, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(6) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(7) Adjustments in rates for claims experience, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(8) The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995 and the effective date of this Act to develop the insurer's index rate for its individual policies.

(11) Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

(d) "Index rate" has the meaning provided in Section 1 of this Act.

(2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the

commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.

(4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

SECTION 12. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this criteria even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year;

(b) An individual entitled to benefits under the health benefit plan has been diagnosed with a high-cost condition on or before the effective date of the individual's coverage for coverage issued on a guarantee-issue basis after July 15, 1995;

(c) The health benefit plan imposes the maximum pre-existing condition exclusion permitted under Section 2 of this Act;

(d) The individual purchasing the health benefit plan is not eligible for or covered by other coverage; and

(e) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A.

(2) Notwithstanding the provisions of subsection (1) of this section, if the total claims paid for the high-cost condition under a program plan for any three (3) consecutive years are less than the premiums paid under the program plan for those three (3) consecutive years, then the following shall occur:

(a) The policy shall not be considered to be a program plan thereafter until the first renewal of the policy after there are three (3) consecutive years in which the total claims paid under the policy have exceeded the total premiums paid for the policy and at the time of the renewal the policy also qualifies under subsection (1) as a program plan; and

(b) Within the last six (6) months of the third year, the insurer shall provide each person entitled to benefits under the policy who has a high-cost condition with a written notice of insurability. The notice shall state that the recipient may be able to purchase a health benefit plan other than a program plan and shall also state that neither the notice nor the individual's actions to purchase a health benefit plan other than a program plan shall affect the individual's eligibility for plan coverage. The notice shall be valid for six (6) months.

SECTION 19. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

On the date the individual first becomes eligible for coverage under a guaranteed acceptance program plan the individual may be charged a premium of up to:

(1) One hundred fifty percent (150%) of the index rate charged to a person of identical or similar case characteristics

who has not been diagnosed or treated with a high-cost condition if the individual in the immediate preceding sixty-three (63) day period, excluding any waiting or affiliation period, was not covered under any creditable coverage during the entire sixty-three (63) day period; or

(2) The maximum as provided in Section 10 of this Act, if the individual in the immediate preceding sixty-three (63) day period, excluding any waiting or affiliation period, had creditable coverage during any part of the sixty-three (63) day period.

Notwithstanding any other provision of this chapter, program plans shall contain cost containment features, which may include managed care and utilization management, to control the amount of high-cost policy losses without creating excessive adverse health care outcomes.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the department, in a form and at the time as the department by administrative regulation may specify, the following information for that year:

(d) The amount of the insurer's program plan claims paid during the calendar year covered by the report;

(e) The amount of the insurer's program plan losses; and

(6) The department may prepare quarterly estimated calculations for the purposes of allowing insurers who participate in the program to budget for their annual assessments and refunds.

(7) The department shall conduct such examinations of insurers participating in the plan as is reasonably necessary to determine if the information provided by the insurers is accurate.

SECTION 22. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The department shall establish a risk adjustment process to be used in collecting and distributing funds from all insurers doing health insurance business in Kentucky for the purpose of allocating program plan losses among such insurers.

(2) As part of the risk adjustment process, the department shall establish and maintain a program account. All funds in the program account shall be held at interest, in a single depository designated in accordance with KRS 304.8-090(1) under a written trust agreement in accordance with KRS 304.8-095. All expense and revenue transactions of the

fund shall be posted to the state accounting and reporting system (STARS) and its successors.

(3) The program account shall be funded from the following sources:

(c) Annual assessments from each stop-loss carrier in an amount which is equal to two dollars ($2) upon each one hundred dollars ($100) of health insurance stop-loss premiums;

(d) An assessment for each calendar year, or the last six (6) month period of 1998, on the total amount of all health benefit plan premiums written during the prior assessment period and paid by all insurers who received any of the health benefit plan premiums on which the assessment is based. The first assessment shall be for the period from July 1, 1998, to December 31, 1998, shall be based on the amount of health benefit plan premiums written during this six (6) month period, and the total amount of the assessment against all insurers for this six (6) month period shall equal three million nine hundred thousand dollars ($3,900,000). The percentage rate used to determine this six (6) month period assessment shall be the maximum percentage that may be used to determine the assessment in any subsequent calendar year. Assessments in any subsequent year shall be paid on or before the last day of that calendar year, and the first assessment shall be paid on or before December 31, 1998.

(e) Any special assessments under subsection 4(b) of this section;

(f) Gifts, grants, or other voluntary contributions; and

(g) Interest or other earnings on the investment of the monies held in the account.

(4) After the end of each calendar year, the department shall calculate the amount of the total actual program plan losses incurred by all insurers for the calendar year. The first calculation shall be for the calendar year ended December 31, 1998.

(a) If the amount of total actual program plan losses is less than the amount in the program account, each insurer shall be reimbursed up to the amount of its proportional share of program plan losses from the program account.

(b) If the amount of total actual program plan losses is more than the amount in the program account, then the difference shall be considered a program account deficit, and there shall be a second assessment, in addition to the assessment under subsection 3(d) of this section, on all insurers who received any of the health benefit plan premiums on which the assessment under subsection 3(d) is based. The second assessment shall also be a percentage of the health benefit plan premiums except for the following limitations:

1. The percentage rate may not exceed the percentage rate used to determine the 1998-1999 assessment, and

2. The total amount generated from the additional assessment may not exceed the lesser of the program account deficit or seven million eight hundred thousand dollars ($7,800,000). If the second assessment fully eliminates the program account deficit, each insurer shall be reimbursed up to the amount of its proportional share of program plan losses from the program account. If the second assessment does not fully eliminate the program account deficit, each insurer shall be reimbursed up to its proportional share of program plan losses from the program account in the same proportion that the insurer's program plan losses bears to the total program plan losses of all insurers.

(5) With respect to an insurer who reasonably will be expected to both pay assessments and receive payments from the program account, the department shall calculate the net amount owed to or to be received from the program account, and the department shall only collect assessments or make payments from the program account based upon net amounts.

(6) Insurers paying an assessment may include in any health insurance rate filing that amount of such assessments as provided in Section 21 of this Act.

(7) Any surpluses remaining in the program account after completion of the risk adjustment process for a calendar year shall be maintained for use in the risk adjustment process for future calendar years and such funds shall not lapse. The General Fund appropriations to the program account shall not lapse.

(8) Assessments on health benefit plan premiums that are required under this section shall not be applied to premiums received by an insurer for Medicaid recipients, Medicare beneficiaries, and CHAMPUS insureds.

The report shall contain an evaluation of the program, an evaluation of issues concerning individuals with high-cost conditions, and recommendations for establishing alternative means of providing health benefit plans for those individuals in addition to, or as an alternative to, the risk adjustment mechanism of the program. In order to determine the effectiveness of the program in providing access and affordable insurance to individuals with high-cost conditions and in readjusting the risks of providing health benefit plans to such individuals, the department shall determine:

(a) The number of individuals with high-cost conditions;

(b) The number of program plans; and

(5) A member eligible to purchase military service credit under subsection (4) of this section shall receive current service credit for active military duty as provided under subsection (4) of this section without payment of the current employee contribution ratio if the member was taken prisoner by a hostile power at any time during active military service.

Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). Sue Wylie has commanded a major role in the development of political commentary in Kentucky not only with her current show but with her very astute and creative handling of "Noon Today," which she produced and co-anchored for twenty-three years. Sue Wylie's direct approach with many Governors and policy-makers in Kentucky has earned her the respect and admiration of those she interviewed, and her impending retirement is viewed with a mix of good wishes and wistful reminiscence. The Kentucky House of Representatives does recognize the extraordinary talents of this remarkable journalist and wishes that retirement might be just as challenging and satisfying as her glittering career. **Legislative Citation No. 55** was adopted without objection. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. (13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the

County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(c) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in Section 402 (c) and Section 401(a)(31) of the Internal Revenue Code. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) Any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months service or, if younger, who has sixty (60) months service may purchase credit in the Kentucky Employees Retirement System for up to ten (10) years service in a regular full-time position that was credited

to a state or local government administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) Any employee participating in the County Employees Retirement System, who has sixty (60) or more months of service, may purchase credit in the County Employees Retirement System for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The employee may obtain credit for employment with a business development corporation only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. Payment may be by lump sum or the employee may pay by increments.

(6) Effective August 1, 1988, service credit obtained under subsections (1) to (5), (8) to (12), (14), (15), and (17) to (19) of this section shall be disallowed and the recontribution of refund, including interest as determined by the board or other payment, if any, shall be paid to the member, upon request, if the member does not obtain for service performed six (6) months' additional current service credit in one (1) of the state-administered retirement systems or as an employee of a parted employer. The service requirement shall be waived if the member dies or becomes disabled as provided for by KRS 61.600.

(7) The members shall not receive benefit of service for the same period of time in another public defined benefit retirement fund.

(8) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65) in one (1) of the retirement systems administered by the Kentucky Retirement Systems, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by a defined benefit retirement program, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the County Employees Retirement System, the Kentucky Employees Retirement System or the State Police Retirement System for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employees, Kentucky Employees Retirement System or State Police Retirement System. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment may be by lump sum, or the employee may pay by increments.

(9) (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

(b) Effective July 1, 1973, any department participating in the Kentucky Employees Retirement System may purchase current service between July 1, 1956, and participation date of the department, for present employees of the department who were employees on the participation date of the department and elected coverage under KRS 61.525(2);

(c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Members who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this

section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave; or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(c) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in Section 402 (c) and Section 401(a)(31) of the Internal Revenue Code. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) Any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months service or, if younger, who has sixty (60) months service may purchase credit in the Kentucky Employees Retirement System for up to ten (10) years service in a regular full-time position that was credited to a state or local government administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) Any employee participating in the County Employees Retirement System, who has sixty (60) or more months of service, may purchase credit in the County Employees Retirement System for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

(20) (a) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system.

(b) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), who has served or is currently serving in an office established pursuant to KRS 160.160, and who has at least fifteen (15) years of service, may obtain credit not to exceed two (2) years for the period of his service in the office established pursuant to KRS 160.160, if the service to be purchased does not overlap with service in a position covered by another state administered retirement system, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. The purchase of this service shall be made prior to December 31, 1996.

(c) Payment for purchase of service pursuant to paragraphs (a) and (b) of this subsection may be made in installments in lieu of lump-sum payment. The payment shall not be picked up, as described in KRS 61.560(4), and shall be deposited to the individual member's account.

(21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. The employee may obtain credit for service with a city, county, or joint city-county planning commission only if the Kentucky Retirement Systems receives a favorable letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor.

(24) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems on or after August 1, 1998, who has at least two hundred forty (240) months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. The payment shall not be picked up, as described in KRS 16.545(4), KRS 61.560(4), KRS 78.610(4), by the employer, and the employee's payment shall be paid into the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member. SB 1, AN ACT relating to planning and zoning in counties containing a city of the first class.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

It is the intent of Sections 1 to 10 of this Act to strengthen the enforcement of binding elements which have been approved as part of a land use development plan in a county containing a city of the first class. This is intended to be done by extending to a planning commission in counties containing a city of the first class the authority to issue remedial orders and impose civil fines in order to provide an equitable, expeditious, effective, and inexpensive method of ensuring compliance with approved land use plans as they apply to binding element agreements. Sections 1 to 10 of this Act is intended and shall be construed to provide an additional or supplemental means of obtaining compliance with local zoning ordinances and nothing contained in Sections 1 to 10 of this Act shall prohibit the enforcement of local zoning ordinances by any other means authorized by law.

SECTION 2. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 10 of this Act, unless the context otherwise requires:

(1) "Land use enforcement officer" in a county containing a city of the first class means a zoning enforcement officer employed by a planning commission.

(2) "Land use ordinance" in a county containing a city of the first class means an official action of a local government body which is a regulation of a general and permanent nature relating to the use and development of land within the jurisdictional boundary of the planning commission. It is enforceable as a local law and shall include any provision of a code of ordinances adopted by a local government which embodies all or part of an ordinance.

(3) "Local government" means a county containing a city of the first class and all cities of the first through fourth classes within that county.

(4) "Binding element" in a county containing a city of the first class means a binding requirement, provision, restriction, or condition imposed by a planning commission or its designee, or a promise or agreement made by an applicant in writing in connection with the approval of a land use development plan or subdivision plan.

SECTION 3. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

(1) The planning commission in counties containing a city of the first class may issue remedial orders and impose civil

fines as a method of enforcing a binding element when a violation of that binding element has been classified as a civil offense in accordance with this section.

(2) Subject to the limitations set forth in subsections (1) and (3) of this section, if a local government elects to enforce a binding element as a civil offense, it shall do so by ordinance, which shall provide:

(a) That a violation of the binding element is a civil offense; and

(b) A maximum civil fine that may be imposed for each violation of a binding element.

(3) No local government shall classify the violation of a binding element` as a civil offense if the violation would also constitute an offense under any provision of the KRS, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense.

SECTION 4. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

Each planning commission which is given the authority by the local government to enforce binding elements shall have the power to:

(1) Adopt rules and regulations to govern its operation and the conduct of its hearings that are consistent with the requirements of Sections 1 to 10 of this Act.

(2) Conduct hearings to determine whether there has been a violation of a binding element.

(3) Subpoena alleged violators, witnesses, and evidence to its hearings. Subpoenas issued by the planning commission may be served by any land use enforcement officer.

(4) Take testimony under oath. The chairman of the planning commission may administer oaths to witnesses prior to their testimony before the planning commission on any matter.

(5) Make findings and issue orders that are necessary to remedy any violation of a binding element.

(6) Impose civil fines as authorized in the ordinance on any person found to have violated any binding element that the planning commission is authorized to enforce.

SECTION 5. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

(1) When a land use enforcement officer, based upon personal observation or investigation, has reasonable cause to believe that a violation of a binding element has occurred, the officer may issue a warning notice and citation to the offender. Prior to issuing a citation, the officer shall issue a warning notice giving the offender a specified period of time in which to remedy the violation. If the person to whom the notice is given fails or refuses to remedy the violation within the time specified, the land use enforcement officer may issue a citation. However, if the violation is deemed by the land use enforcement officer to be a threat to public safety, then a citation shall be immediately issued without a prior warning notice.

(2) Enforcement proceedings shall be initiated by the issuance of a citation by a land use enforcement officer.

(3) The citation issued by the land use enforcement officer shall be in a form prescribed by the planning commission and shall contain, in addition to any other information required by the planning commission:

(4) After issuing a citation to an alleged violator, the land use enforcement officer shall notify the planning commission by delivering the citation to the administrative official designated by the planning commission.

(5) All citations issued shall be hand delivered to the alleged violator.

(6) When a citation is issued, the person to whom the citation is issued shall respond to the citation within fourteen (14) days of the date the citation is issued by either paying the civil fine set forth in the citation or requesting, in writing, a hearing before the planning commission to contest the citation. If the person fails to respond to the citation within fourteen (14) days, the person shall be deemed to have waived the right to a hearing to contest the citation and the

determination that a violation was committed shall be considered final. In this event, the planning commission shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation.

SECTION 6. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

(1) When a hearing before a planning commission has been requested, the planning commission, through its clerical and administrative staff, shall schedule a hearing. The hearing shall be conducted within thirty (30) days of the date of the request, unless the person who requested the hearing requests or agrees to a continuance not to exceed thirty (30) days. All continuances must receive the approval of the planning commission. Not less than seven (7) days before the date set for the hearing, the planning commission shall notify the person who requested the hearing of the date, time, and place of the hearing. The notice may be given by certified mail, return receipt requested; by personal delivery; or by leaving the notice at the person's usual place of residence with any individual residing therein who is eighteen (18) years of age or older and who is informed of the contents of the notice. Any person requesting a hearing before the planning commission who fails to appear at the time and place set for the hearing shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be final. In this event, the planning commission shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation.

(2) Each case before a planning commission shall be presented by an attorney who shall be counsel to the commission.

(3) All testimony shall be under oath and shall be recorded. The planning commission shall take testimony from the land use enforcement officer, the alleged offender, and any witnesses to the alleged violation offered by the land use enforcement officer or the alleged offender. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(4) After the hearing, the planning commission shall determine, based on the evidence presented, whether a violation was committed. When the commission determines that no violation was committed, an order dismissing the citation shall be entered. When the commission determines that a violation has been committed, the commission shall issue an order upholding the citation and may order the offender to pay a civil fine in an amount up to the maximum authorized by the ordinance, or may order the offender to remedy a continuing violation within a specified time to avoid the imposition of a fine, or both, as authorized by the ordinance.

(5) Every final order of a planning commission shall be reduced to writing, which shall include the date the order was issued, and a copy of the order shall be furnished to the person named in the citation. If the person named in the citation is not present at the time a final order of the planning commission is issued, the order shall be delivered to that person by certified mail, return receipt requested; by personal delivery; or by leaving a copy of the order at that person's usual place of residence with any individual residing therein who is eighteen (18) years of age or older and who is informed of the contents of the order.

SECTION 7. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

(1) An appeal from any final order issued by a planning commission may be made to the District Court of the county in which the planning commission is located. The appeal shall be taken within thirty (30) days of the date the order is issued. The appeal shall be initiated by the filing of a complaint and a copy of the commission's order in the same manner as any civil action under the Rules of Civil Procedure. The action shall be tried de novo and the burden shall be upon the planning commission to establish that a violation has occurred. If the court finds that a violation occurred, judgment shall be entered ordering the offender to pay to the planning commission all fines assessed for the violation. If the court finds a violation did not occur, the complaint shall be dismissed.

(2) A judgment of the District Court may be appealed to the Circuit Court in accordance with the Rules of Civil Procedure.

(3) If no appeal from a final order of a planning commission is filed within the time period set forth in this section, the planning commission's order shall be deemed final for all purposes.

SECTION 8. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

The person or entity found to have committed a violation of a binding element shall be responsible for the amount of all fines assessed for the violation. A planning commission may bring a civil action against the person or entity and shall have the same remedies as provided for the recovery of a debt.

SECTION 9. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

Nothing contained in Sections 1 to 10 of this Act shall prohibit a local government from taking immediate action to remedy a violation of a binding element when there is reason to believe that the existence of the binding element violation presents a serious threat to the public health, safety, and welfare, or if in the absence of immediate action, the effects of the binding element violation will be irreparable or irreversible.

SECTION 10. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

The provisions of Sections 1 to 10 of this Act may be cited as the "Binding Element Enforcement Act."

HB 405, AN ACT relating to the emergency management assistance compact.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 39 IS CREATED TO READ AS FOLLOWS:

Emergency Management Assistance Compact

ARTICLE I. Purpose and Authorities.

This compact is made and entered into by and between the participating member states which enact this compact, hereinafter called party states. For the purposes of this compact, the term 'states' is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all U.S. territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency disaster that is duly declared by the Governor of the affected state, whether arising from natural disaster, technological hazard, man-made disaster, civil emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

This compact shall also provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, such actions occurring outside actual declared emergency periods. Mutual assistance in this compact may include the use of the states' National Guard forces, either in accordance with the National Guard Mutual Assistance Compact or by mutual agreement between states.

ARTICLE II. General Implementation.

Each party state entering into this compact recognizes that many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and present procedures to apply outside resources to make a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, dull, and effective utilization of resources of the participating states, including any resources on hand or available from the federal government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

On behalf of the Governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III. Party State Responsibilities.

A. It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:

1. *Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resources shortages, civil disorders, insurgency, or enemy attack;*
2. *Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency;*
3. *Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans;*
4. *Assist in warning communities adjacent to or crossing the state boundaries;*
5. *Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material;*
6. *Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness; and*
7. *Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the above responsibilities.*

B. The authorized representative of a party state may request assistance to another party state by contracting the authorized representative of that state. The provisions of this compact shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within thirty (30) days of the verbal request. Requests shall provide the following information:

1. *A description of the emergency service function for which assistance is needed, including, but not limited to, fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building, inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue;*
2. *The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time they will be needed and;*
3. *The specific place and time for staging of the assisting party's response and a point of contact at that location.*

C. There shall be frequent consultation between state officials who have assigned emergency management *responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States Government, with free exchange of information, plans, and resource records relating to emergency capabilities.*

ARTICLE IV. Limitations.

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state.

Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers, except that of arrest unless specifically authorized by the receiving state, duties, rights, and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces will continue under the command and control of their regular leaders, but the organizational units will come under the operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state emergency or disaster by the Governor of the party state that is to receive assistance or upon commencement of exercises or training for mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect, or loaned resources remain in the receiving state, whichever is longer.

ARTICLE V. Licenses and Permits.

Whenever any person holds a license, certificate, or other permit issued by any state party to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the Governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI. Liability

Officers or employees of a party state rendering aid in another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes. No party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article shall not include willful misconduct, gross negligence, or recklessness.

ARTICLE VII. Supplementary Agreements.

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that among the states that are party hereto, this compact contains elements of a broad base common to all states, and nothing herein shall preclude any state entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.

ARTICLE VIII. Compensation.

Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX. Reimbursement.

Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and provided further, that any two or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this article.

ARTICLE X. Evacuation.

Plans for the orderly evacuation and interstate reception for portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management/services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in *which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines, and medical care, and like items. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support of repatriation of such evacuees.*

ARTICLE XI. Implementation.

A. This compact shall become effective immediately upon its enactment into law by any two states. Thereafter, this compact shall become effective as to any other state upon enactment by such state.

B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until thirty (30) days after the Governor of the withdrawing state has given notice in writing of such withdrawal to the Governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

C. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States Government.

ARTICLE XII. Validity.

This compact shall be construed to effectuate the purposes stated in Article I. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected.

ARTICLE XIII. Additional Provisions.

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would in the absence of express statutory authorization be prohibited under Section 1385 of Title 18 of the United States Code.

Section 2. KRS 39.460 is amended to read as follows:

The Governor is hereby authorized to take such actions as are necessary to effectuate the provisions of the compact set forth in *Section 1 of this Act*[~~KRS 39.450~~].

Section 3. The following KRS section is repealed:

39.450 Authority to execute Interstate Emergency Management and Disaster Compact.

Section 4. The participation of the Commonwealth of Kentucky in the Interstate Emergency Management and Disaster Compact set forth in KRS 39.450 is terminated.

Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until thirty (30) days after the Governor of the withdrawing state has given notice in writing of such withdrawal to the Governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

C. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States Government.

ARTICLE XII. Validity.

This compact shall be construed to effectuate the purposes stated in Article I. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected.

ARTICLE XIII. Additional Provisions.

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would in the absence of express statutory authorization be prohibited under Section 1385 of Title 18 of the United States Code.

(2) The board shall issue an interpreter license to an applicant who fulfills these requirements. The front of the license shall clearly list all certifications held by the licensee.

(3) The board may issue a temporary license as an interpreter to an applicant who is certified at a level below that required for licensure in subsection (1) of this section. A temporary license shall be available for a person who is training under the supervision of a licensed interpreter under circumstances defined by the board in administrative regulation. A temporary license is valid for only a certain period until the licensee achieves the minimum level of certification required for licensure under subsection (1) of this section. A temporary license is not renewable although extensions may be granted under circumstances defined by administrative regulation.

(a) For graduates of a baccalaureate interpreter training program, a temporary license shall be valid for up to one (1) year.

(b) For graduates of an associate of arts interpreter training program, a temporary license shall be valid for up to two (2) years.

(c) For nondegree applicants, a temporary license shall be valid for up to two (2) years.

(4) Upon payment of the application fee, the board shall grant licensure to an applicant holding a valid license, certificate, or equivalent issued by another state if it is based upon standards equivalent to or exceeding the standards required by Sections 1 to 12 of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 309 IS CREATED TO READ AS FOLLOWS:

(1) Each person licensed as an interpreter shall annually, on or before July 1, submit to the board current proof of nationally recognized certification and pay a fee for the renewal of the interpreter license. The amount of the fee shall be promulgated by administrative regulation of the board. All licenses not renewed by July 1 of each year shall expire.

(2) A sixty (60) day grace period shall be allowed after July 1, during which time individuals may continue to practice and may renew their licenses upon payment of the renewal fee plus a late renewal fee as promulgated by administrative regulation of the board.

(3) All licenses not renewed by August 31 shall terminate based on the failure of the individual to renew in a timely manner. Upon termination, the licensee is no longer eligible to practice in the Commonwealth.

(4) After the sixty (60) day grace period, but before five (5) years from the date of termination, individuals with a terminated license may have their licenses reinstated upon payment of the renewal fee plus a reinstatement fee as promulgated by administrative regulation of the board.

(5) A suspended license is subject to expiration and termination and may be renewed as provided in Sections 1 to 12 of this Act. Renewal shall not entitle the licensee to engage in the practice of interpreting until the suspension has ended or is otherwise removed by the board and the right to practice is restored by the board.

(6) A revoked license is subject to expiration and termination but shall not be renewed. If it is reinstated, the licensee shall pay the reinstatement fee as set forth in subsection (4) of this section and the renewal fee as set forth in subsection (1) of this section.

(7) The board may require that a person applying for renewal or reinstatement of licensure show evidence of completion of continuing education as prescribed by the board by administrative regulation.

(2) The board may investigate allegations of wrongdoing upon complaint or upon its own volition. The board shall establish procedures for receiving and investigating complaints by administrative regulation.

(3) If the board's investigation reveals evidence supporting the complaint, the board shall set the matter for hearing in accordance with the provisions of KRS Chapter 13B before suspending, revoking, imposing probationary or supervisory conditions or an administrative fine, issuing a written reprimand, or any combination of actions regarding any license under the provisions of this chapter.

(4) If, after an investigation that includes opportunity for the licensee to respond, the board determines that a violation took place but was not of a serious nature, it may issue a written admonishment to the licensee. A copy of the admonishment shall be placed in the permanent file of the licensee. The licensee shall have the right to file a response to the admonishment within thirty (30) days of its receipt and to have the response placed in the permanent licensure file. The licensee may alternatively, within thirty (30) days of the receipt, file a request for hearing with the board. Upon receipt of this request, the board shall set aside the written admonishment and set the matter for hearing under the provisions of KRS Chapter 13B.

(5) After denying an application under the provisions of Sections 1 to 12 of this Act, the board may grant a hearing to the denied applicant in accordance with the provisions of KRS Chapter 13B.

(1) The board may refuse to issue a license or suspend, revoke, impose probationary conditions upon, impose an administrative fine, issue a written reprimand, or any combination thereof regarding any licensee upon proof that the licensee has:

(3) At any time during the investigative or hearing processes, the board may accept an assurance of voluntary compliance from the licensee which effectively deals with the complaint.

(4) The board may reconsider, modify, or reverse its probation, suspensions, or other disciplinary action.

(5) Five (5) years from the date of a revocation, any person whose license has been revoked may petition the board for reinstatement. The board shall investigate the petition and may reinstate the license upon a finding that the individual has complied with any terms prescribed by the board and is again able to competently engage in the practice of interpreting.

(6) Any party aggrieved by a disciplinary action of the board may bring an action in Franklin Circuit Court in accordance with the provisions of KRS Chapter 13B.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 230.377 is amended to read as follows:

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the commission for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The commission shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the commission shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In ***a geographic area***~~[counties]~~ containing more than one (1) track ***within a fifty (50) mile radius of another track***, intertrack wagering ***shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before the effective date of this Act***~~[dates shall be awarded as follows:~~

(a) ~~A receiving track of the same breed as the host track's breed shall have the right to receive, on an exclusive basis, sixty percent (60%) of the available intertrack wagering days, which shall not include the days in subsection (4) of this section, if the receiving track was licensed to conduct racing of that breed on or before January 1, 1990; and~~

(b) ~~A receiving track of a different breed than the breed of the host track shall receive on an exclusive basis the remaining forty percent (40%) of the intertrack wagering dates not awarded by the commission under subsection (2)(a) of this section, and exclusive of days contained in subsection (4) of this section, if the receiving track was licensed to conduct racing of a different breed on or before January 1, 1990. Any unused intertrack wagering days or any intertrack wagering days not requested by and awarded to a receiving track of a different breed than the breed of the host track, shall be awarded to the receiving track of the same breed as the breed of the host track]~~.

(3) ~~[Except in extraordinary circumstances, such as the need to accommodate a receiving track's sales activities or special events, intertrack wagering dates shall be awarded in weekly increments.]~~The commission shall approve no more than nine (9) tracks for participation in ***horse racing,*** intertrack wagering***, and simulcasting***. Any approval by the commission of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:

(a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(c) A track which applies to the commission to receive an interstate race of a different breed than the breed for which it is licensed by the commission shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the commission.

(d) A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the commission to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(e) A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and (d) of this section if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.

(f) The consent required by paragraph (e) of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:

1. For any reason not specifically related to financial harm to live horse racing; or

2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.

(g) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the Kentucky Racing Commission to conduct live racing at the track located in this state;

2. Live racing was canceled due to weather conditions; and

3. The consent required by subsection (5)(d) of this section is obtained.

(h) The in-state track receiving the simulcast specified in paragraph (g) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(i) All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The commission may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.

(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.

Section 2. KRS 230.3771 is amended to read as follows:

(1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon, subject to the following limitations:

(a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks ***not subject to the provisions of subsection (2) of Section 1 of this Act***, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten

(10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs:
2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

(a) A harness receiving track may receive interstate simulcasts of harness races and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks ***not subject to the provisions of subsection (2) of Section 1 of this Act***, all harness tracks, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection (2). However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(3) A harness track may only receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon as provided in subsection (1)(b) of this section. A thoroughbred track may only receive interstate simulcasts of harness horse races and conduct interstate wagering thereon as provided in subsection (2)(b) of this section. A simulcast facility may only receive interstate simulcasts of thoroughbred and harness horse races and conduct interstate wagering thereon as provided in subsections (1)(b) and (2)(b) of this section.

(4) Other provisions of the Kentucky Revised Statutes notwithstanding, any track in a ***geographic area***~~[county]~~ that contains more than one (1) track ***within a fifty (50) mile radius of any other track*** may only receive interstate simulcasts ***on racing of the same breed of horse as the track was licensed to race on or before the effective date of this Act***~~[in accordance with the provisions of subsections (1) and (2) of this section, subject to the following additional limitations:~~

~~(c) In selecting interstate simulcasting dates, the track with the right to select interstate simulcasting dates shall first select dates that correspond with the intertrack wagering dates awarded to that track by the commission for that year, including any intervening days. (z) Regulation of establishments or commercial enterprises offering adult entertainment and adult entertainment activities.

(4) The county judge/executive is hereby authorized and empowered to exercise all of the executive powers pursuant to this section.

(5) A county acting under authority of this section may assume, own, possess and control assets, rights and liabilities related to the functions and services of the county.

(6) If a county is authorized to regulate an area which the state also regulates, the county government may regulate the area only by enacting ordinances which are consistent with state law or administrative regulation:

(a) If the state statute or administrative regulation prescribes a single standard of conduct, a county ordinance is consistent if it is identical to the state statute or administrative regulation;

(b) If the state statute or administrative regulation prescribes a minimal standard of conduct, a county ordinance is consistent if it establishes a standard which is the same as or more stringent than the state standard;
